Terra Nova High School
Pacifica, California

Foreword

We, the Terra Nova Annual Staff, have compiled a chain of Key memories of the school year 1964-65.

Peeking through the keyhole of life, we see the many rewards of the future and the memories of the past.

It is our fondest hope that these memories of Terra Nova will linger still with each turn of a page.

Whether it's yelling on the football field or sitting quietly in the classroom, we sincerely hope that we have captured the true spirit of Terra Nova!

The Terra Nova Band

The true spirit of Terra Nova was personified by our band. We salute all of its members for representing our Alma Mater in the finest tradition.

Principal's Message

During the 1964-65 school year, we moved into our long awaited new facilities. The new building units not only enhanced the beauty of Terra Nova but provided much needed instructional and activity space. Our overall capacity was increased to 1500 students, which gives us the flexibility to grow with Pacifica.

Other noteworthy events included the adoption of an Alma Mater which traditionally will be sung at the conclusion of assemblies and athletic contests, and the Class of 1965 winning the Spirit Jug for the second consecutive year. Congratulations to a spirited and interested student body on a fine year.

Tigers A Go - Go

Invasion

November 19 brought fun and excitement to Terra Nova when the Sophomore Class presented their dance which they entitled the Tiger A Go-Go.

To add to the excitement of the dance Terra Nova was privileged by the Invasion of Emperor Nelson, who presented his royal subjects with free autographs and records.

This will always be a memorable event of Terra Nova.

Spirit Staff

The spirit of Terra Nova was outstanding this year. The Spirit Staff was always there rooting our team to victory. Through hard work and patience, the Cheerleaders, Pom Pom Girls, Majorettes, and Mascots have brought forth the vital spark of spirit in Terra Nova students. Our majorettes were a new addition this year, and in the future will be a key part of the spirit of Terra Nova.

आर

This years' coaches were Mr. Fisher, and Mr. Figoni. Manager Bob Ennen. Through their understanding, knowledge, and patience they have developed a strong team which represents the sportsmanship of Terra Nova.

Key to Sportsmanship

Sports have played a "key" role of our high school years. On the field of victory or defeat, sportsmanship has been illustrated by those students who participated in Terra Nova's sports program. Whether in football, baseball, track, golf, wrestling, swimming, cross country, basketball, or ping pong, T.N.'s sportsmanship will always be the best.

With faith and fervor the Seniors with their advisors have worked for an ever better class and school. Their leadership and spirit sets a high standard for future classes at our Alma Mater. We sadly accept from them "The Key of Memories," bright and lasting, and we gladly pass on to them "The Key to the Future."

May their memories be bright but their future even brighter.
